4-H Enrollment Open Now on 4-H Online
The new Kansas 4-H year began Oct. 1 so it’s time to re-enroll in 4-H Online! Returning families and
new families can find help here: https://www.kansas4-h.org/resources/4-h-online/index.html.
The enrollment deadline is December 31 to participate in the 4-H Divisions of the Grant County
Fair. However, project leaders would like to have you enrolled as soon as possible so they can plan
their learning opportunities. Remember, it is the new 4-H online 2.0: https://v2.4honline.com/#!/user/sign-up

4-H Attendance Policy
In collaboration between Grant County Extension Council and Grant County Fair Board, it has been
voted on and approved by both boards to mandate that 4-H’ers must attend 6 Club Meetings to enter and
participate int the 4-H portion of the Grant County Fair. Only 2 excused absences will be able to count
towards the 6 club meetings. No absences will be excused after the start of the meeting. “Freebie Meetings”
will not count towards the 6 club meetings.

PROJECT LEADERS
If you are interested in leading a project, or plan to retire from your project, please call and let the
Extension office know.

If your kids or kids you know may be interested in becoming livestock judgers, please reach out to Megan Rice or Elizabeth Rogers. A practice schedule will be released soon on the team’s Facebook page.

There is an upcoming clinic and contests that will start the season off in December.

**4-H Club Day**

**January 29, 2022 9am Civic Center**

Information is available from the Extension Office concerning Talks, Demonstrations, dance, singing, instrumentals, skits and Model Meeting.

All are encouraged to participate in Grant County Club Day!

This is one of the events you need when applying for your end-of-year pins.

**Communications Project Workshops**

**Dec. 9 6:30 pm; Dec. 20 2:00 pm – Extension Office**

Learn how to speak skillfully before an audience through a Public Speaking presentation, Project Talk, Demonstration, or Illustrated Talk. We’ll go over designing a presentation and the guidelines for each presentation. Contact Monica Walker for more information.

**Record Books**

It is never too early to be thinking of record books. Record Books are an important part of the 4-H experience. It is most helpful if every month you add and update your projects so at the end of the year, all you must do is add the finishing touches. Record Books are due September 30, 2022. 4-H Record Books for this year are one of the requirements to participate in the 4-H portion of the 2023 Grant County Fair.

Effective as of 10/1/2020 Kansas 4-H members will no longer use the KAP forms. The state 4-H office has replaced the KAP with Project Record Report Form(s). There are two versions of the project record report form. An animal form and a general project form. There are also three age versions of each form, one form for juniors age 7-9, one form for intermediates 10-13, and one form for seniors 14-18. The new forms may be accessed at https://www.kansas4-h.org/resources/4-h-library/awards-and-recognition/ProjectRecognition.html.
